

# Standard Equipped to Suit your Exact Needs

Whether you are working in a small office or workgroup, your office needs are diverse yet precise. The Aficio™MP 161L has exactly what it takes to meet them. The Aficio™MP 161L is highly reliable and user friendly providing standard duplexing, attractive paper handling and fast operation. Compact, convenient and cost effective, these office partners are ready to optimise your specific workflow!

## MP 161L

- Standard printing
- TWAIN colour scanning

## The Compact Answer

- small footprint
- space efficient, compact design with handy internal output tray
- fits anywhere in the office without intruding on valuable workspace

## Speed at your Fingertips

Instantly available, the Aficio™MP 161L is ready for business in less than 10 seconds. Your first copy or print exits the device in under 7.5 seconds, while a continuous output speed at 16 ppm is guaranteed.

## Convenient Paper Handling

Able to handle any paper size from A6 up to A4, the MP 161L not only tackles your everyday office tasks, but also takes care of the occasional special request. Larger print/copy jobs are quickly processed too: with a maximum paper capacity of 850 sheets, you need not worry about frequent refills. Furthermore, the handy ARDF facilitates feeding of up to 50 sheets at once.

### Effortless Networking (Optional)

- optional network printing for efficient integration and convenient sharing of the device's powerful capabilities within the workgroup

### Standard Duplexing

Save on paper and reduce your costs by copying and printing duplex. To help you save time, the Aficio™MP 161L scanner unit can even digitise both sides of an original in one go.

### All at the Touch of a Button

With no time to waste, you need an office device that is easy to install, operate and maintain. Designed with an ease of use in mind, the Aficio™MP 161L offers:

- simple plug and play installation
- full front accessibility
- a straightforward operation panel with LED light

### Handy Printing & Colour Scanning

- low cost printing
- colour scanning by using the TWAIN driver
- easy digitising of books and magazines: scanning straight from the platen glass

### Solid Reliability

Equipment you can fully depend on is crucial in your fast paced office. With the Aficio™MP 161L you can rest assured. Building on many years of experience, and technological innovation, these digital systems offer a whole new level of professionalism.

### Ricoh's Green Commitment

Like all Ricoh products, the Aficio™MP 161L reflects Ricoh's commitment to the environment with the usage of toxic free materials\*, limited noise emission and low energy toner production. With their ultra-low power consumption and standard duplexing, these devices take eco care even further.

\* In compliance with EU RoHS directive (RoHS: Restriction of Hazardous Substances, effective from July 2006).
